## Student Reflection

We have now come to the end of the academic year. Here are some questions to help you reflect on the school year. You can discuss these with your family or friends. For a more personal reflection experience, take a few of your favourites to use as writing/journal prompts.

1. What is something we did this year that you think you will remember for the rest of your life?
2. What is something you accomplished this year that you are proud of?
3. What was the nicest thing someone in our class did for you this year?
4. What was the most challenging part of this year for you?
5. Where is your favourite place in our classroom (or school)? Why?
6. If you could change one thing that happened this year, what would it be?
7. What are three things you did this year to help your classmates?
8. What are the three most important things you learned this year?
9. What is something that was hard for you at the start of the year but is easy now?
10. In what area do you feel you made your biggest improvements?

## My Summer Prayer

As I begin the summer,  
gracious and loving Jesus,  
remind me of Your ever present  
guidance and love.

Give me confidence in Your presence,  
remembering all that I have been  
taught this year and let me  
live it in my summer experiences.

As I work, play and enjoy  
my family and friends this summer,  
may I feel Your love within me,  
guiding me toward all  
that is right and just.

Let me be grateful for the gift  
of summer, Jesus. Allow me  
to enjoy it safely and remind  
me daily of Your love for me.  
Amen.

St. John Baptist de la Salle,  
Pray for us.  
Live Jesus in our hearts,  
Forever!

See you all in early September.
