Techtopia

The Tectopia and the Spring Carnival were successfully held on the 27th January.

The PTA helped organise the Spring Carnival and teachers were in charged of Tectopia. We were glad to have Dr. David Mong as the Guest of Honour for Tectopia. We would like to thank his charity for donating the LED wall in our School Hall. We also had three alumni giving meaningful presentations related to A.I. The students had a fantastic time playing all the games in the different stalls. We would like to thank the PTA and all parent helpers for making it a memorable event for the students.

The football team members, teachers and Old Boys had a fantastic time playing the matches. All other students and staff cheered them on.

Teachers, students and peers shared the grace and joy of the Lunar New Year. Meanwhile, students could experience the traditional customs of the Lunar New Year through the New Year celebration activities (including making spring couplets and games to celebrate the Spring Festival).

A special prayer for the Chinese New Year:

Wishing you a very happy new year

Wishing you a new year with overflowing blessings

May God's love always surround you

May you face any challenges with resilience

Wishing you God's love this new year

Wishing you unyielding perseverance

May God's grace crown your year

May you be joyful everyday with a smiling countenance
