Students also immersed themselves in the local culture and authentic cuisine. It was a memorable tour blended with fun, learning and global exposure.

# Study Tour

Our P.6 students went on a study tour to Beijing during the Easter holidays.

During the trip, they visited our partner school (The Experimental Primary School of RDFZ), where they experienced classroom activities, participated in the "Sunshine Run," and joined a friendly soccer match with local students.

Additionally, the students explored several famous landmarks, including the Great Wall of China, the Palace Museum, the Summer Palace, and Tiananmen Square.

The tour provided a wonderful opportunity for students to learn from others, experience traditional Chinese culture, and develop a broader perspective.
