P.6 Tomb Sweeping

The PTA and the School co-organised the Tomb Sweeping activity, offering an excellent opportunity for our P.6 students to learn about the contributions of the De La Salle Brothers. This event also allowed students to express their appreciation and gratitude for their lifelong commitment to educating our community through the principles of St. John Baptist de La Salle.

What is Easter?

Easter is a very important time for Catholics and Christians. During this time, we have to remember the following:

- The birth of Jesus - how God sent his only Son to the earth to save mankind from sin
- The concept of sin and how it separates us from our Creator
- Jesus' life and ministry on the earth - his miracles as well as his compassion and love
- Palm Sunday - the triumphant entry of Jesus into Jerusalem when people laid carpets of palms and clothes on the ground before him as if welcoming a king
- The Last Supper - the significance of the Holy Communion; how the bread and wine symbolise the body and blood of Christ that was sacrificed on the cross for us
- Good Friday - how Jesus died on the cross taking upon himself the sins of the world
- Resurrection - how Jesus came back to life on the third day after his crucifixion and burial
- Salvation - how Jesus' death and resurrection redeemed mankind from sin

Easter eggs, bunnies, hot cross buns, etc., are merely symbols borrowed from pre-Christian cultures and traditions. Rather than focusing on the celebration, we need to be able to relate to Jesus Christ's sacrifice on the cross and ensure we lead lives worthy of his love and grace.

We should also take this time to focus on our values. Christ riding on a donkey on Palm Sunday and washing his disciples' feet during the Last Supper—all these acts symbolise humility. Christ dying on the cross for the sins of mankind is a sacrificial act. Remember to be humble and listen to the needs of others. The little sacrifices that you make to make others happy and comfortable will go a long way in helping you grow up to be a good human being. You can also visit homes for the elderly, community centres and charities to spend some time interacting with the people there and you can even donate some of your pocket money to help them get essential items or small gifts.

You can also attend special church services. Many churches put up plays and conduct special choral services.

Remember that Easter is also a time of hope. Christ's death on the cross and his resurrection signify hope for mankind. Do not despair and be disappointed if something goes wrong or if you face challenges. There is always hope. Be resilient and keep trying until you succeed.

'For God so loved the world that He
gave His one and only Son, that
everyone who believes in Him shall
not perish but have eternal life.'

- John 3: 16

St. John Baptist De La Salle,
Pray for us.
Live Jesus in our hearts,
Forever!
